DETAILED ACTION

Allowable Subject Matter

Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance: the primary reason for allowance is the inclusion of the limitation wherein a positional relationship between a magnetic field distribution and the distribution of a coercive force of the magnetic recording medium is established in such a manner as to generate an edge of a recordable medium at a position where a recording magnetic field intensity is lowered at a maximum.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Glenda P. Rodriguez whose telephone number is (571) 272-7561. The examiner can normally be reached on Monday thru Thursday: 7:00-5:00; alternate Friday.
